

ABLE Peer Assessment 1: Workshop Feedback from Participants

Workshop title: _____ **Presenters:** _____

Your comments will help presenters revise their Chapter for publication in the Conference Proceedings. Your comments will also assist the Major Workshop Committee in the selection of future workshops.

Please be as specific as possible.

1. Why did you sign up for this workshop? (What was interesting to you; what did you hope to learn?)

2. Did the workshop fulfill your expectations? Why/Why not?

3. Circle your overall rating for the quality of this workshop (as distinct from the lab exercise itself): 1(poor) 2(incomplete) 3(ok) 4 (very good) 5 (outstanding)
Comments on what was particularly good or what would have made the workshop more effective:

4. What was the most interesting aspect of this laboratory exercise?

5. What problems, if any, do you see with this exercise?

6. Are you likely to try this lab in your own teaching? ____yes ____no Why/why not?

7. In your opinion, for what instructional level(s) is this lab appropriate? 1 2 3 4 graduate
8. Do you have suggestions for the author on ways to improve the laboratory write-up including general comments or specific information useful for students, instructors, TAs and/or preparatory staff: (Continue on back if needed)
